# Sanitation District Increases Budget

To finance a $66,500 building program for next year and to allow for two additional employees, Sanitation District No. 4 directors last week adopted a budget of $225,322, an increase of $93,430.50 over this year's figure.

**Stephen Goodman, manager of the district, estimates that to meet the budget it will be necessary to levy a tax of 28-cents, an increase of 12 cents over this year's figure.**

Of the total amount budgeted for capital outlay ($108,122.50), an inter-connection system between main trunk sewers in order to relieve excessive flows during the flood months from the Los Gatos area is estimated to cost $41,000.

### Construct Main Lines

These lines which will be built from the intersection of White Oaks Road at Camden Ave. along Camden Ave. and Casey Road to the present trunk line as Casey Road and Winchester will take the load off single trunk lines now bearing the bulk of the flow.

Goodman pointed out that in the Los Gatos area many of the lines are 50 years old and a certain amount of seepage into them occurs causing some of the overload. In some case also roofs drain into the sanitary lines. He explained that the condition became particularly serious during the December floods.

### For New Yard

Another major item contemplated by the District is for the acquisition of a little more than one acre of land for a corporation yard and superintendent's office. At the present time the District and the City of Campbell are attempting to work out an agreement where both agencies could utilize the same yard.

**The city maintains its yard now in the Los Gatos Creek bed near Gilman and Campbell avenues. The District engineer, however, has frowned on such a location for a corporation yard because of the possible flood danger. Goodman said, however, that if some other site be found that was suitable to both the City and the District, a jointly operated corporation yard might still be possible.**

Goodman has also approached the City Council on the possibility of the District renting office space from the city when a city hall is completed. Such a proposition, however, must wait until the city acquires a city hall. In the meantime the District will continue to rent office space at 375 E. Camp-

# Robert Landreth Becomes Principal Of Monroe School

Robert Landreth, vice-principal of Campbell Grammar School, has been named as principal of Monroe School, William Henley, superintendent of schools, announced this week. Landreth will take the place of Neal Royer who had previously been named as assistant superintendent.

The trusteees of the district also announced that the twelfth school of the district has been named Parkway. This school, which is now in the preliminary planning stage, is located on Saratogo Road near Pruneridge and gets it name from the future parkway that will be constructed in the area. The district is in the process of obtaining the site through condemnation proceedings at the present time.

On May 29 the trustees will open bids for the construction of eight portable classrooms to be completed by next September. The classrooms will be placed at Cypress, Hamilton and Dover schools. The classrooms will take care of the temporary overloads at these schools and then will be moved to other spots in the district as the need arises.

The completion of the Parkway School will eliminate the overload at Cypress and the Sherman Oaks School will take care of Hamilton. Dover's overload will go to still another school that is still on the drafting board and exact location undetermined.

The district's construction program includes additions to the Cherry Lane and Quito schools. It is expected that bids will be opened in July for these additions. It is hoped to start construction on the Sherman Oaks School in the same month.

Superintendent Henley expects to have 45 new teachers in the district next year of which 27 are additional teachers to take care of the growth in the area. The trustees last week adopted a new salary schedule for the teachers which sets $4000 as the minimum starting salary and a top pay of $6100

# On The Line in Campbell

# Better Pay Up!

**A crackdown on business firms operating in Campbell without bothering to take out a city business license was promised this week by Chief of Police Robert Locke and W. L. (Bud) Morser, building inspector.**

**The city officials claim that some of the most flagrant violators have been a few construction firms and a number of other businesses that have offices elsewhere but do considerable business within the Campbell area.**

**According to Ordinance No. 29, "all persons doing business or carrying on a trade, profession or occupation in City of Campbell whether having a place of business within or without the City, unless specifically exempted shall pay a business license fee".**

**Under the ordinance, if license fees remain unpaid, a graduated penalty will be levied and a violation of the ordinance is a misdemeanor. License fees are due and payable January 1 of each year.**

# Forums to Become Part of District Program Next Year

Neighborhood forum meetings instituted on a trial basis during the past year in the Campbell Union High School District will become a part of the regular adult education program next year, Laurance Hill, district superintendent,announced this week.

Mrs. Eugen Andras, 140 Flamingo Drive, active in PTA work and named mother-of-the-year for the San Jose area, has been appointed the first coordinator of the program, Hill said.

The trustees of the district at their last meeting granted tenure to 18 teachers in the district and Hill estimates that the district has only approximately nine vacancies on the faculty staffs to fill for next year, although 35 new teachers will be needed. Of the 35, 19 are additional teachers needed because of the growth of the district, (Camden High will have a junior class next year) and 16 will be replacements for teachers who are leaving.

The enrollment in the two high schools of the district is expected to reach 2850 next year with 1750 in Campbell and 1100 in Camden. The faculty for the two schools now numbers 122, Hill said.

He said that there have been almost 500 applicants for jobs in the district and that men applicants outnumber women.

On next Wednesday, the district will have a hearing in Sacramento on its application for state aid, the superintendent reported. Voters in the high school district will be asked to approve the granting of state financial aid to the district in a special election on June 12.

# Planners Expect Routine Session

Campbell City Planners are expected to have an unusually docile session tonight when they hold their regular meeting at the Country Woman's Clubhouse at 7:30.

Only routine matters are listed on the agenda and little opposition is expected to them, a new twist to what has been the case in previous meetings.

Listed on the agenda are (1) public hearing on Camp and Sondeno application for change of zones on Lots 1 and 6 Sunberry Gardens; (2) public hearing on amendment to sectional districts to establish a C-2-S general commercial district on all property within the city now in C-2 zone. Thi would give the Commission the authority to pass on architectural approval; (3) adopt resolution classifying carwash business; (4) approve Ampex Unit No. 2 subdivision; (5) review tentative subdivision map of property of Rafello and Taylor on east side of San Jose-Los Gatos Road, south of Campbell avenue and referred by County Planning Commission for comment and suggestions.

The County Planning Commission has also referred another item to the commission relating to the hearing before the county commission on the application for a use permit for rest home, southeast side of Santa Clara-Los Gatos

# Methodists Consecrate New Church on Sunday

Culminating a building program that began with the ground breaking on September 26, 1954, consecration of the first section of the new First Methodist Church building will be held at their new site on Winchester Road this Sunday.

Completion of the new building is the first step in the building program planned by the church to take care of an ever-increasing membership, which showed a gain of 319 members in church school enrollment during the past six months alone.

Bishop Donald H. Tippett, who will deliver the consecration address will also speak at both 9:30 and 11 a.m. worship services Sunday.

Rev. Herbert Neale, pastor of the church, will conduct consecration services which will commence at 3 p.m. Sunday. Rev. Corwin H. Olds, pastor of Campbell Congregational Church, former Campbell Mayor Richard Morton; Gilbert Christian, executive secretary, Santa Clara Valley Council of Churches; and Dr. Elliot Fisher, district superintendent, will extend greetings to the congregation.

Ceremony of turning over the keys will begin when Thayer Lyons, contractor, turns the keys to the completed building over to Dean Chamberlin, chairman of the building committee, who in turn will turn them over to George French, chairman of the board of trustees of the church.

Adult Choir, Youth Choir and Junior Choir will combine their voices in "Praise To the Lord, the Almighty" by Gusenbuck, and "Hallelujah! Amen" by Handl, during the ceremony, which will be climaxed with the consecration address delivered by Bishop Donald H. Tippett.

Highlight of the program will be a dramatic presentation by church members, "For Whom We Build"; written by Miss Etta Peoples.

Fellowship hour will follow consecration services, when members and friends are invited to attend. An inspection tour of the new building will also be held.

# City Sends Out New Numbers

Resident of one of the 16 sections in which the City of Campbell has been divided were being officially notified this week what their new house numbers would be. They have 60 days to affix the new numbers.

The official notifications were being sent from the office of the building inspector and included a detailed letter addressed to "Dear Householder". It explained the background of the numbering system and why it was necessary for the City Council to adopt the numbering ordinance.

Attached to the letter of explanation is the notice specifying the new number that has been assigned to the property by the building inspector, W. L. (Bud) Morser, building inspector, said that it is impossible to estimate how long it will take to mail all the notices to the approximately 3000 householders who are affected by the new system.

The first section (designated as No. 7 by the inspector's office) to which the notifications are being sent is bounded by Winchester Road, Campbell Ave., San Jose-Los Gatos Road and Dutard Ave. It is a mile square as are all the other 15 sections of the town.

Under the new numbering plan, almost all the house and building numbers have been changed. Most of the business houses in town have already received their new numbers and it is expected that new digits will soon be in evidence throughout the business district.

According to the ordinance, the new numbers need not be used until July 1, 1956 but residents may begin to use their new numbers whenever they receive them.

### ACCIDENT ON HAMILTON

Three members of a Saratoga family were hospitalized on Monday afternoon after their car allegedly ran into the rear end of a truck on Hamilton Ave. near the Los Gatos Creek.

All the injured were passengers in a car driven by Thomas R. Hall and included Hall's wife, Hazel, and their two youngsters.

### APRIL PERMITS TOTAL $60,008

Building permits issued by the Campbell building inspector's office during the month of April totalled $60,008, according to W. L. (Bud) Morser, building inspector.

W. Untiedt, in the Kuehnis tract, led the April building parade with a permit for $21,120 for a four-unit apartment in the tract.

Campbell Lumber Co., owned by Doc and Jim Arends, was in second place for a $14,000 permit for a sales room and office building followed by a $12,000 permit for a dwelling at 149 Catalpa Lane by C. Atkinson.

Other permits included: H. Storey, 81 Catalpa Lane, $4032 for an addition to dwelling; H. J. Redmond, 24 Cypress Ave., $2016 for an addition to dwelling; John L. Lorenz, 295 N. Central, $600 storeroom for garage; W. H. Stoutimore, 269 Esther, $2800, addition to workshop; Ray Einberger, 754 Fewtrell, $1440, addition to dwelling; Town Pride Mart, 525 E. Campbell, $2000 for additions to store with Glenn DuBois as the contractor.

Wear Red Cross Emblem

# All Local Regular and Auxiliary Police Complete First Aid Course

That little Red Cross emblem that both regular and auxiliary Campbell police are now wearing on the shoulders of their uniforms represents an outstanding achievement for the local police.

Every regular policeman and all 16 members of the reserves recently successfully completed the nine-week Red Cross First Aid course and were graduated with honors with the right to wear the distinctive Red Cross emblem on their sleeves.

Instructor of the course was Jarvis Stender, Sr., a retired government employee with 30 years service with the postal department, and an active member of the local police auxiliary. Stender, a qualified instructor in First Aid with a background of many years of training and teaching, conducted the three-hour class every Friday night over the period of nine weeks.

In order that both the regulars and reserves could take the class at the same time three police reserves, all members of the county fire department and already holders of First Aid certificates, assumed regular police patrol duties each Friday night. Spelling the cops during this time were Captain Vince Diehl, Lt. Doc Cook and Captain Del Combs, all county firemen.

The local police auxiliary organization has received statewide recognition for its operation here. Just recently the chief of the newly formed police department in Dairyland, a newly incorporated city in southern California, contacted Chief Robert Locke for assistance in the establishment of a similar auxiliary unit in the new city. In his letter to the chief, the Orange County police officer mentioned that the state Bureau of Criminal Identification rated the Campbell auxiliary program as one of the better reserve units in the state.

During the recent Old Settlers' Day celebration in Campbell all the local auxiliaries, supplemented by a number of Los Gatos reserves, went on full shift for the three days to assist in traffic control and other policing matters. Ordinarily, however, the reserves are only required to work 12 hours per month.

Chief Locke points with pride to the fact that four regular police officers who have been employed by his department had received training perviously in the auxiliary.

Officer Stender, the instructor in the First Aid course, besides taking his regular shift in the reserves has taken refresher courses in First Aid work at frequent intervals. He was dean of First Aid instructors in the Chicago post office where he was employed before his retirement and estimates that he has given 7200 hours of instruction in classes.

Reserves and regulars completing the First Aid course included, Chief Locke, Dick Mayne, Carl Arnold, Gordon Rooney, John Morgan, R. C. Foster, Rudy Golden, Frank Howsman, Perry Hull, D. D. Locke, Richard Locke, Ken Morton, Don Perkins, Dick Sutton and Robert Allen.

Completing the course at the same time were Mr. and Mrs. W. E. Rogers and Robert Cooper.

### HOT ENOUGH?

**The thermometer on Tuesday reached 90 degrees in Campbell and then came back on Wednesday with more of the same. It was hot here, but it was hotter in other places. No time to visit Death Valley.**

# Voters Name Trustees In Election Tomorrow

Voters in the Campbell Union High School District will cast their ballots in the trustee election tomorrow in nine polling places. For the first time both high school and elementary trustee candidates will appear on the some ballot.

Although the same names for high school trustee will appear on the ballots in all nine spots, the elementary candidates will vary based on the particular elementary district in which the polling place is located.

**Because of the confusion resulting from the consolidation of the precincts, school district officials urge those voters who are not sure of their voting place to go to the nearest school in the elementary district in which they live.**

Only mild flurries of interest have been shown in the election campaigns in the various elementary districts that make up the Campbell high school district. Union, which is part of the Campbell High district, has gained the biggest share of the pre-election spotlight where six candidates (two incumbents) are running for the three vacancies. The Union campaign featured an intra-school personnel problem which focused attention on the trustee fight. Dr. W. R. Morgan, Campbell dentist is one of the incumbents running for reelection in this district.

### Apathy of Public

Despite a valiant attempt on the part of the Faculty Club of the high school district to stir up interest in the high school election in this immediate area, apathy toward the election on the part of the general public has been the rule.

**Three candidates, Raymond Bishop, incumbent, Thayer Lyons and Edwin B. Jennings, have filed for the one position that is open on the board. The three candidates appeared at a public forum held in the Camden High School on Tuesday night. Each gave a brief statement of what they stood for and then answered questions from the floor.**

A meager crowd of less than 100 attended the forum which was moderated by Dr. Carl Rogers, San Jose State College professor of education, and presided over by Robert Campbell, vice-president of the Faculty Club.

About half of the audience was made up of teachers. After the candidates had made their statements, approximately 20 written questions from the audience were presented for the candidates to answer to the best of their ability.

### Question on Ethics

One question asked whether it was considered ethical for teachers to express disagreement with school policies. All three of the candidates thought that, if possible, such disagreements should be kept within the school and that it might be "bad taste" to publicize some disagreements.

Other questions asked were: Should school policies be discussed at PTA meetings? Should open meetings be encouraged? Just what is the job of a trustee? Should the board encourage attendance at its meetings? Would you consider working with the teachers on salary problems, etc.? Should teachers be encouraged to attend board meetings?

### In Agreement

In most cases the three men on the spot were in agreement with the answers given, although Lyons emphasized that he thought teachers had the right to be just as interested in the policies of the district as others. Bishop felt that teacher committees should be named to meet with the board.

Superintendent Laurance Hill, who was in the audience, was called upon to clarify a question on

Employees of The Press were allowed to go through before the unit opened shop at 11 a.m. That colored shirt in the doorway belongs to Cliff Cassiday and grinning at the doorstep is Norm Sebert. # THREE SCHOOLS VIE FOR TRACK TITLE

A three-way fight was in effect last night among three high schools who were battling for the track and field championship of the Santa Clara Valley Athletic League at Helms Field in Los Gatos.

The meet in which Campbell High Bucs were favored to win got underway with the field events at 7 p.m. with the track events starting at 7:30 p.m. Coach Bill Priddy's Bucs had their hands full but went into the meet as favorites.

Campbell qualified 20 men in the much postponed trials held at the Los Gatos field Friday. Inclement weather forced the postponement of the trials and the finals which were originally scheduled for last Saturday. Fremont qualified 24, getting one or more contestants in every event while James Lick put 21 men into the finals.

Campbell's strength lay in its first place power with Fremont and Lick relying on depth to put them into the thick of the fray. The Bucs were figuring on a possible eight first places. They missed qualifying a man in the two hurdle events during the trials.

Mike Profit set a new league record in the shot put in the trials when he heaved the pellet 56-ft. 2¼ inches. He had four chances to beat this mark last night. According to league rules, trial records will tsand unless bested in four chances in the finals.

Fremont also led in the qualifying spots in the B and C divisions while Santa Clara topped D qualifiers with 10, ahead of Washington with 7 and Fremont and Campbell with 6. Camden High placed 4 in the B division and 4 in Class D. Camden, competing in the SCVAL for the first time, qual-Campbell, 440 relay; Perez, Kurotsuchi, hop-step-jump; Craddock, high jump; Perez, Craddock, broad jump.

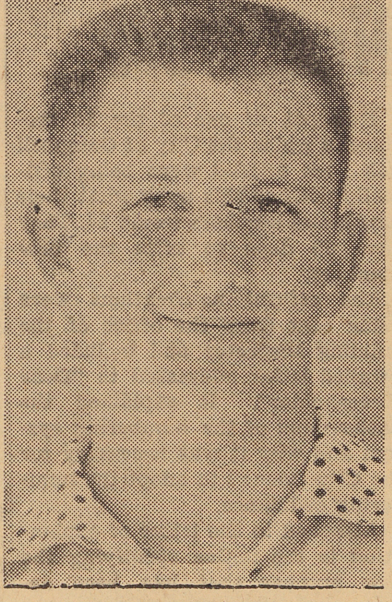
# BUCS WIN SCVAL DIAMOND CROWN

Paced by the one-hit pitching of Bob Sutton, Campbell High School defeated Mountain View 3-1 last Thursday afternoon, to win its first undisputed Santa Clara Valley Athletic League championship in the school's history.



**BOB SUTTON**
**. . . Star Performer**

The game Thursday ended the season for the Bucs who went through the six game league schedule without a defeat. It also marked the highlight (and perhaps the climax) of the coaching career of Mel Stein, Buc mentor, who has indicated that he will leave the coaching profession and devote his time exclusively to classroom instruction . Stein last year piloted the Bucs to a tie for the championship with Fremont.

Sutton, as usual, turned in a stellar performance, striking out seven Eagles, walked three and allowed just one hit, a single in the second inning. Sutton, a senior, who has been scouted by four major league teams finished the SCVAL season with a strike-out record of 59 in 40 innings of play.

His battery mate, Hector Cordova, led his team-mates as well as the entire league in the hitting department with a mark of .500.

John Shimisu, the tiny Mountain View pitcher who opposed Sutton on the mound, also turned in an outstanding performance. The 5-foot tall Eagle hurler held the Bucs to only three hits. He also got the one hit obtained off Sutton. Two of the Campbell runs were unearned and all three came in the fourth inning.

The Bucs got their run in the top of the fourth when Cordova walked and Sutton followed with a sharp single. Dave LaBarbara, Buc second baseman, then slammed a double into short right field which pushed Cordova across the plate. Jerry Sutton, short stop, singled to drive in LaBarbara and Sutton when Burkhalter dropped his pop fly.

## Bucs Top Hayward

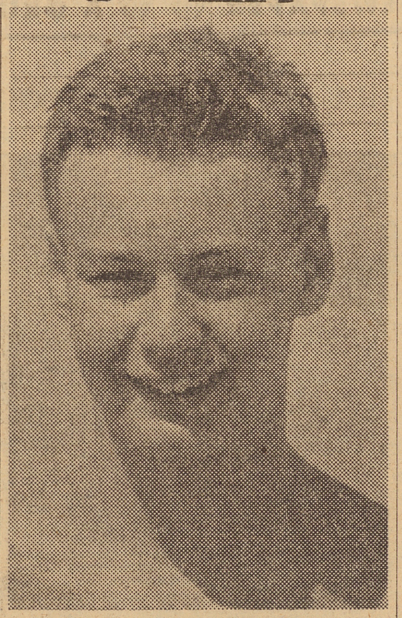
### End Dual Meet Season

With the May 1 victory over Hayward, the Campbell Buccaneers recorded an undefeated dual meet season. The Campbell High track varsity recorded for the season 8 wins, 0 losses. Included was an unbeaten SCVAL schedule dual meet championship.

Three Varsity records were tied or broken, two of them by sprinter Monty Nielsen who tied the school record in the 100 yd. dash (10.1) and broke the school record in the 220 (21.8), Also broken was the school record in the shot put where Mike Profit re-set his own mark of 57 ft., 4 in.

The Hayward meet was a closely contested affair with the outcome depending on the last two events on the program, the pole vault and the high jump. Campbell's Max Kinsey won the pole vault with Ray Christiansen second. There was a three-way tie for first in the high-jump. John Dial and Terry Boone of Campbell were two of the three involved.

These, plus a come-from-behind win in the relay, were enough to raise Campbell's final margin of victory to a respectable 69-44. Top marks recorded in gaining the win were Charlie Cardona's 53.6 in the 440 and Ken Sweet's 21 ft., 3 in. broad-jump.



**MAKES ALL THE POINTS . . . Steve Skold, Camden High School sophomore, took second in the 100-yard freestyle and third in the 150 individual medley to score all his team's nine points in the CIF North Coast Section swimming championships at Santa Clara Saturday. Campbell High placed ninth in the meet with 12 points and Camden was in 11th spot. The meet was won by Acalanes with 41 and Santa Clara was second with 27. Campbell, however, finished second in the B division with 29 points to Carlmont's 32. The Bucs scored two firsts in Class B, Jim Omura winning the 100-yard breaststroke in 1:12.5 and the Buc 100-yard medley relay team composed of Omura, Pat Franco, Bob Peltier and Don Peterson winning in :55.7. A's placing in the meet were Mike Scroggins in the 100-yard butterfly; John Duncan in the 200-yard freestyle. and Britt Finley, Jim Mallman, Duncan and Steve Hunter as members of the 200-yard freestyle relay team.**

## YMCA to Operate Summer Day Camp

The San Jose Y. M. C. A. announced this week that it will operate a summer day camp for boys between the ages of eight and thirteen, according to Glenn Campbell, "Y" Day Camp committee chairman.

Day Camp will be divided into three 8-day periods starting June 25 and closing August 3. All sessions will run Monday through Thursday.

Any boy, between the ages of eight and thirteen, is eligible to attend the "Y" Day Camp, whether he be a member of the Y. M. C. A. or not, Campbell said.

Campsite for summer Day Camp is on Lexington Lake near Los Gato and only 18 miles from the San Jose Y. M. C. A. The name of the camp is Camp Wawbansee and the daily camping program will include a fun-filled fellowship of hiking, nature lore, crafts, archery, rustic building, fishing, swimming, and conservation.

## Elementary Track Athletes Set 11 New Meet Records

Elementary school track and field barefooted athletes set 11 new records and tied two others Saturday at the high school track in the fifth annual Picnic Day jointly sponsored by the Campbell Kiwanis Club and the Campbell high and elementary school districts.

Almost 400 youngsters from the 5th, 6th, 7th and 8th grades took part in the meet which was under the supervision of Bill Priddy, Campbell High School track coach and Joe Stein, P. E. director for the school district.

The contestants were divided into five classes with the 7th and 8th graders participating in Classes A, B, and C and the 5th and 6th graders in Classes E. and F. Ribbons were awarded the first six places in each event.

Jerry Cooper, Campbell 8th grader, took the spotlight in the meet by breaking two records and tieing another. He set a new high jump record 5-ft.-7-inches, a new hop-step-jump mark (37-ft.-3½) and tied the 50-yard dash record at 6 seconds.

Buddy Daniels, Moreland, set a new 100-yd. dash mark at 11.1 and Franco, also of Moreland, scooted the 60-yard low hurdles for a new record at 8.2.

Peter Dana, of Campbell, in Class B set a new broad jump mark with 17-ft. 10-in. and a new hop-step-jump record with 34-ft.-9½ in. Other new B marks set were, Puma, Moreland, 50-yard dash, 6.1 seconds; Katai, Campbell, 60-yard low hurdles, 8.8 and the 440-yard Campbell relay team 53.5.

Garcia of Burbank was the lone record-breaker in Class C when he put the 6-pound shot, 28-ft.-11-in. In Class E Randy Sutton, of Hamilton, tied the 50-yard mark at 6.8 and Kites of Quito set a new mark in the 75-yard dash at 9.5. No new records were set in Class F.

**CO-WINNER . . . Tom Goulding, who with Art Hill, of Campbell High School, won the doubles championship in the Santa Clara Valley Athletic League on Friday. The Bucs doubles team won in three sets over Brian Herrigan and Herb Meyers, of Mountain View, 5-7, 6-2; 6-4. The winners now play in the North Coast Section finals at Stanford this Saturday. Campbell's tennis team is co-champion of the league. The Bucs lost to Mountain View in their last match, or they would have had the league title sewed up.**

## DAD AND JUNIOR

The Henry's—Bill and Billy, Jr. aged 28 and 8 years—are two of the most amazing acrobats in ice show world today. They are stars of Shipstads and Johnson Ice Follies of 1956, and will be seen in the newly enlarged 20th Anniversary edition in "Qualifying Run." There's probably no stronger lad around rinks than Billy and he brings down the house when he holds his father off the ice. You'll see more than 100 skating champions, from the world over, with the all new Ice Follies of 1956 which opens at San Francisco's Winterland, Thursday, June 21.

# JUNIOR RIFLE RANGE OPENS HERE MAY 26

Sponsored by the Campbell Police Department and the Police Auxiliary, the Junior Rifle Range will open Saturday, May 26 at 9:30 a.m., it was announced this week.

The range is located at the main gate of the Western Gravel Co., Railroad and Kennedy avenues, and more than 100 boys 12-years of age or older are expected to take part in the program. The range will operate every Saturday morning during summer.

All boys participating must furnish their own .22 caliber rifles and those who do not have their own rifles should attend the first meeting before buying their guns, the police advise.

All boys who took part in last year's program should re-register this year and their fathers are invited to attend the meetings. For the present, classes will be limited to those living within the city limits of Campbell.

According to the local police, instruction will be given in all firing positions and strict supervision will be exercised at all times. Competitive shoots will be arranged at regular intervals for those who qualify. An additional feature this year will be the selecting of relay teams for monthly match competition.

A release will be required to be signed by the boy's parent or guardian before he will be allowed to handle firearms. The releases may be secured on May 26.

# Local Women Sing In Spring Concert

Mrs. Gregory Parker of Campbell, and Mrs. Jerry O'Connell of Cambrian Park, members of the Peninsular Women's Chorus, will participate in the group's spring concert to be held at the Parish House of Los Altos Union Church May 23 at 8 p.m.

Five South American Nocturnes by Josepsh W. Clokey, will be among selections heard. The group first introduced three in the group of Nocturnes in the Peninsula area three years ago. These are seldom heard selections because of difficulty performance due to their dissonant qualities in parts, and are rarely performed by other than than professional groups.

"I Hear a Harp" by Brahms, with arrangement by Peperti for harp and French horn, is another number in their repertoire which will be performed at the concert. This will be the second performance of this number on the Peninsula.

Most recent performance of the group was for the Library Tea sponsored by Campbell Country Woman's Club on May 7.

Mrs. Parker, Campbell member of the group, makes her home on Harrison Ave. A graduate of Pacific Conservatory, she is a former vocal soloist in Christian Science Church in Modesto and choir director in Stockton and Modesto churches. She is also a former teacher in public school music in Martinez, Fresno, and Campbell, and a former 'cellest with Modesto, Stockton and Fresno Symphonies.

Mrs. O'Connell, who lives with her family at 14580 Camden Ave., Cambrian Park, is a San Jose State College graduate. She is past president of Peninsular Women's Chorus and choir director of First Methodist Church in Campbell. She has been with the chorus for five years.

## ROTARIANS HEAR ABOUT RAILROADS

Charles Myers of Western Pacific in San Jose, spoke to local Rotarians last Monday on "Modern Railroads" and showed a film on the subject. Bob Culp, dean of boys at Campbell Union High School, provided the projector.

## SR. GIRL SCOUTS IN STYLE SHOW

Campbell Senior Girl Scouts will participate in "Fashion Splash" and Aquacade to be held Saturday at 1:30 p.m. at the Reid Lockhart home, 1554 Glen Una Drive, Saratoga.

Proceeds of the affair will be used to send a patrol of eight Senior Scouts to Michigan this summer to attend the "Americana" Roundup, to represent Santa Clara Valley Girl Scout Council.

Fashions shown will feature equipment especially made for the Roundup.

"Gay Nineties" swim suits will be featured in the precision water ballet and clown acts by Senior Girl Scouts.

Invitational tickets may be obtained from all Senior Girl Scouts of Santa Clara Valley.

# HOOT MON!

Laddies of Campbell Lions Club and their bonnie lassies, the Lionettes, were lionized last week when their kilts and full Scotch regalia won them first prize at the costume ball at the Lions' state convention in Lake County. This was quite a prize as there were around 2000 delegates from all over the state attending. Costumes were all made by Lionettes.

Convention took up many business matters, including election of state officers, but plenty of time remained for recreational activities.

The group left Campbell last Thursday afternoon and returned Sunday. Those attending from Campbell were: Messrs. and Mmes. Vince Vallelunga, John Chargin, Jack Volkers, Ronnie Arnold, Verle Grizzle, Bob James, John Plog, Jerry Kelly, Rex Olson, Doug Beatty, Moe Bennett, Ted Solari, Bob Harris and Bob Curry.

Research in the development of Roquefort-type and Romano cheeses by the University of California has resulted in commercial production of these cheeses in the State.

## SOCIAL SERVICE INCREASES

The quarterly report of Catholic Social Service of Santa Clara County, a Red Feather agency, indicates that the phenomenal growth in demand for the agency's services has continued into this year.

In the first quarter of this year, the agency's staff held 2320 interviews, compared with 1884 in the previous quarter.

No possessions are good, but by the good use we make of them.

# EDITORIAL

## HOW ABOUT VOTING TOMORROW?

Some time ago (April 12 issue) we wrote an editorial entitled "But There Is An Issue." We had reference to the apparent lack of interest shown by the people in their school problems.

We claimed that in schools there always is an issue because of the importance of education to our country's present and future. We deplored this lack of interest by all of us who are affected directly or indirectly in some way by the schools.

In the editorial, we pointed out that, because of the apathy of the people generally, no one even bothered, other than incumbents, to file for trustee.

We have been told that as a result of that editorial, one resident of Campbell realized how little attention he had been paying school district problems, and immediately filed for the office of trustee.

Naturally we point with some pride to this direct result to that which we tried to put across.

Tomorrow the election takes place. There are three candidates for the one vacancy on the school board for the high school district. We cannot take credit for the third candidate filing, but, nevertheless, we are pleased that some interest has been aroused in the election.

Yet the apathy is still with us. We doubt that many of you will bother to vote tomorrow, maintaining that, "So what, it is just another school election."

We know our plea for more interest to be taken in schools and their problems will fall on too many deaf ears. As long as everything appears serene and calm on the surface, the attitude of the people seems to be "why bother."

We, of course, vigorously maintain that such an attitude is all wrong in face of the importance that education plays in this country ... in this state ... in this county and right at home.

There really doesn't have to be domestic friction in a district for people to be aroused about schools. But apparently that is the only way that the average person will show interest in school elections.

In that respect we predict that the Union School District will have the biggest turn out of voters per capita in the entire county. There has been an intra-district hassle going on there that has been publicized in the daily press.

We are not officially endorsing any particular candidate in this high school election tomorrow, because we feel that having three candidates for the one spot, the people can make up their own minds without an assist from us.

We must admit, however, we have a warm feeling for Thayer Lyons, the candidate who told us that our editorial in April was largely responsible for his filing for the office of trustee.

But what we want more than anything else is a large turnout at the polls tomorrow. Only in that way can the people voice their opinions as to what they want the district policy to be.

The polls at the nine schools in the high school district will be open from 7 a.m. to 7 p.m.

We think that gives everyone an opportunity to do his duty.

How about it?

## LAW IN ACTION

### BUYING A HOME?

So you've decided to buy that new home. Can you answer these questions:

Has the seller asked for a payment to show you mean business? Who gets the money if the deal falls through?

1. Does your contract fix a firm price? Or does the price go up with costs?

Do you plan to pay the balance with a loan? Then may you get your down payment back if you can't get the loan? May you pay up early to save interest?

2. Must the seller turn your place over to you by a given time? Can you get your money back if he fails to?

3. Has your builder set out in writing the type of house, size, materials, etc.? Did you check these specifications with some experienced person?

If not, can you set a time with your builder to do so?

Have you checked the land and its legal description against a map? Do you get all the land you bargained for?

4. Does your contract call for clear property title? Does the builder contract to pay workers and others, or put up a bond to do so? Mechanics' lien, you know.

Are there any mortgages or easements on the place?

5. Do you or your builder expect change of plans as you go along? Then write down at those times who does what, who pays for it, and how much.

6. Who stands the loss or keeps up the insurance before you take over?

7. Has your builder guaranteed in writing the heating, kitchen, plumbing and such things? For how long?

8. Up to what date may you or your builder or seller back out? When must your builder or seller finally accept your offer? Can you get your money back if he does not?

Any agreement, preliminary or not, should set out all the terms of sale and you should know them. Your escrow papers, for example, may well become a binding contract.

Make and keep a copy of all your legal papers.

*Note: The State Bar of California offers this column for you to know more about our laws.*

## OUT on the LIMB

with

## George Vierhus

We have been so busy in our own bailiwick since our arrival last January in Campbell that we have been unable to meet only a few of our contemporaries in this immediate area.

That's probaby just as well, for there have been several changes recently in the ownership of papers around here and we would have had to learn who our fellow newspaper people were all over again anyway.

The newspaper publishers in this area have a sort of loosely formed organization called the Central Coast Counties Unit of the California Newspaper Publishers Association. There have been two meetings of this organization since we arrived on the scene but we have been forced to miss them both because of other engagements.

We fully intend to make the next meeting, if only to call attention to the secretary, who happens to be Dwight Bentel, head of the San Jose State Journalism Department, that the notices to us of the meetings of the organization are being addressed incorrectly.

—o—

There have been at least three publishers of The Press since the one whose name appears on the letters from the organization was holding forth in the saddle we now occupy.

So we don't feel too badly about not meeting all our fellow publishers in this vicinity, especially if the records still show that a guy who has been gone for quite some time is still the publisher.

Really that is not too important, for it is a common failing and not confined just to newspapers, for addressagraph plates to lag far behind the correct names and addresses.

It migh be wise, however, since several other papers have changed hands in this area, to make a survey of the situation. Maybe it would be even better to address the notices to the newspapers rather than try to keep up with the publishers.

—o—

At the recent Old Settlers' Day luncheon Rep. Charles Gubser made a statement which we think expressed the feelings of many of us—

Gubser paid tribute to the spirit of Old Settlers' Day.

"You are making an honest effort," the congressman said, "to keep in touch with the past, although faced with the fantastic growth and plans for the future.

"The problems of growth," he continued, "must be tempered with the spirit of the past. We should preserve the past, hallow it, observe it, for it is going to help us in the future."

He emphasized the growth by pointing out that his district, the 10th congressional, has grown from 380,000 people to 570,000 in a little more than three years, a 140,000 jump.

We think our representative was on the right track, for as a newcomer to the town we have appreciated how important it is to keep the tradition of the past alive, but at the same time continually plan for the future.

It will be here soon enough.

—o—

Dr. Benjamin Gilbert, the San Jose State prof, was the principal speaker at the same luncheon. He touched on some of the historical highlights of this region, culled from the files of the (excuse the expression) San Jose Mercury.

One of the interesting items circa 1895 reported was that a new subdivision in Campbell was being advertised with lots for sale at $215 with $40 down and $8 per month with no interest.

In face of the prices that are being reported today for land in this area that $215 price certainly indicates that times have changed.

—o—

We have watched with interest the tearing down and the moving of the houses on the alley between Harrison and Central to make room for a new off-street parking lot.

This lot will be a great asset to the downtown business section. We also hope that the plans for the Ainsley Corporation to remodel some of the store buildings on Campbell Ave., will go through. We believe some face-lifting is needed in that business block in order to keep abreast of things to come.

Speaking of things to come, when we first drove through the town last December we noticed the sign "Closed for Alterations" on the Campbell Theater.

We have searched diligently since then every time we have gone by the joint to see if we could discern any evidence of these "alterations". So far we haven't seen anything, period.

That's like those hotel signs we remember so well, "The NEW HOTEL Blank". Some 50 years later some of these same hotels were still desperately hanging onto the "NEW", although the signs as well as the hotels had become somewhat shabby in appearance.

## More About Trustees

(Continued from Page One)

state aid and the definition of "impoverished districts".

### Bishop's Statement

Bishop in his statement to the group explained that he was a long-time board member and resident of the district. He is retired and has been able to spend a great deal of time on school activities. He outlined four points that the trustees were working for: (1) to maintain an excellent educational program; (2) to plan and promote a wide variety of out-of-class activities for high school students; (3) to plan and promote an excellent recreation program for the high school district; (4) to give every child in the high school district an equal opportunity to participate in these programs. He pointed with pride to the construction program that had been undertaken in the district since he first went on the board in 1936.

Jennings confined himself to a brief statement of his background as an engineer and his residence in the Cambrian area as his qualifications for office. Lyons pointed out his contracting background and his interest in the district stemming from originally being a student of the Campbell schools and now a home-owner and a parent of school-age children in the district.

### Elementary Elections

In the Campbell elementary district the two incumbents John Dixon and Tom Mansfield have filed for reelection. Also filing for one of the positions is Harold H. Seyforth, 624 S. Baywood Ave.

In Moreland there is no opposition for the two incumbents, Vincent Carter and Robert W. Brydon.

In Cambrian, William C. Sartorette and Monty G. Estabrook, incumbents, are also unopposed.

Voters in the Moreland district have two polling places, the Moreland School and El Quito Park School. All voters living north of Prospect Road or north of the proposed extenion of Hamilton Ave. will vote at the Moreland School while those living south of these streets will vote at the El Quito Park School.

Polls in all the nine polling places will be open from 7 a.m. to 7 p.m. In addition to Moreland schools, ballots can be cast at the following schools in the high school district, Burbank, Cambrian, Campbell, Moorpark, San Tomas, Union and Parker.

## SCOUT-O-RAMA TO TAKE PLACE THIS WEEKEND

The annual Scout-O-Rama, sponsored by the San Jose Junior Chamber of Commerce in conjunction with the Santa Clara County Council, Boy Scouts of America, will be open to the public this Friday evening, May 18, and Saturday May 19, at the Exhibition Building at the Santa Clara County Fair Grounds.

There, 107 Scouting Units will display "Scouting In Action" from 7:00 P.M. to 9:30 P.M. each evening.

Fred Hilton, Santa Clara County Council Camping and Activities Chairman, reported that at elast 12,000 people will see the show as well as over 4,000 Cubs, Scouts and Explorers participating in the display booths and outside camping areas.

## Republicans Okay 13 For County Committee

Of the 19 candidates from the supervisorial district filing for the Republican County Central Committee, 13 have been endorsed by the "screening Committee" of the Republican Assembly, it was reported this week by Howard Lillingston, Campbell Republican leader.

Lillingston, the only one filing for the committee from the Campbell area, was one of the 13 given the blessing of the assembly. Last Friday night the Campbell Republican Assembly approved the action of the screening committee. The committee's action must be approved by two-thirds of the assemblies in the district.

REPRESENTATIVE IN CONGRESS
TENTH DISTRICT, CALIFORNIA

The most important single problem confronting our area was brought to the attention of both the House of Representatives and the United States Senate lase week when I went before the Interior and Insular Affairs Committess of both these bodies to testify. The problem, of course, is water for our valleys.

My testimony was presented in connection with hearings on the bills proposing authorization of federal construction of the San Luis reservoir on the San Joaquin valley side of Pacheco pass. It was my aim to get amendments into these bills which would also authorize necessary conduits to extend the service area of the San Luis project to Santa Clara, San Benito, and Alameda counties, and to bring water from the San Luis reservoir across and through the hills into our tri-county area.

For this purpose, I had collected a vast mass of statistical material on our economy, population, water resources, and water needs. Based on this, I prepared a folder outlining to the committees our problem, the local action our people have taken, and why importation of water is absolutely necessary for us. Thanks to the cooperation of a great number of people in Santa Clara and San Benito counties, I was able to come up with what I thought was a very impressive brief, which was further augmented by letters of support from a number of pertinent agencies and organizations.

It is important to state that I am not opposing State construction of the Santa Clara-San Benito unit. As sponsor in the Assembly of the State Legislature of the Feather River authorization bill back in 1951, I could hardly be called a foe of the Feather River project. However, I want to take out an inurance policy in the event the State fails to act, and it is for this reason that I favor authorization of federal construction, giving the State a five-year option to go ahead, but clearing the way for federal action if nothing happens during these five years to get our phase of the project going.

## More About Sanitation District

(Continued from Page One)

bell Ave., Goodman said. Nothing has been budgeted for the next fiscal year for the construction of its own office.

### Bond Retirement

The manager said that the estimated tax of 28 cents which will be levied by the Board of Supervisors in July, includes eight cents which is earmarked for the retirement of bonds. The District has a bonded indebtedness of approximately $1,467,000 with about $63,470 in bonds being retired each year.

Goodman pointed out that the assessed valuation of the district has dropped from the original $81 million to $67,607,000 since San Jose has embarked on its "aggressive annexation" policy. Approximately 1000 acres from the original 20,000 acres have been lost to either San Jose or Santa Clara through annexation. However, he pointed out that the bond tax is still charged against the 1000 acres that have left the district because the property owners were in the District when the bonds were voted.

### Complicates Operation

Goodman said that these annexations have complicated the operation of the District to some extent because both Santa Clara and San Jose have their own sewer systems and it is often necessary for one system to cross through another because of the annexation patchwork.

District No. 4 will receive about $60,000 from money accrued in sewer rentals and deposited in the District's trust fund during the year. Another $31,000 now in the unappropriated reserve will be transferred also to the District. These amounts will assist in keeping the amount that would otherwise have to be raised by taxes to run the District.

It is estimated that there are about 75,000 patients admitted to mental institutions in the U. S. each year.

The first commercial planting of dates in California is believed to have been made about 1902 at Mecca in Riverside County.

## Methodist Church Traces Its Local History to 1888

Completion of its new building marks another step in the growth of the First Methodist Church, the first church in Campbell.

The local church traces its history back to the spring of 1888 when Rev. G. W. Beatty of the Los Gatos church drove with horse and buggy to Campbell and held services in a small hall to a tiny group of listeners, twice a month. In July of that year, he organized a class of twelve persons, forming the embryo of the present church.

Early members worked diligently and membership increased until October 4, 1890, when a committee was appointed to secure a lot and take steps to erect a church, which was built on Campbell Ave. at the site of the present hotel. The congregation soon outgrew the small church and on August 7, 1911 the cornerstone of the church on the corner of Campbell Ave. and North First St. was laid and was dedicated on January 7, 1912.

The building was used through the years by an ever-increasing congregation until plans were formulated for building a new and larger church, and on August 8, 1953 the official board voted to purchase the present site of the new building on Winchester Road.

Members of the church, together with their pastor, gave their free time helping with many phases of the building.

Rocky Mountain National Park in Colorado contains 65 named peaks in excess of 10,000 feet elevation.

# PLANNING ON PLANTING?

## GARDENER'S CHECK LIST

By The California Association of Nurserymen

### Reminders

1. If you have ants in your garden get rid of them. Ants spread a multitude of insect pests. Chlordane dust or spray will do the trick.

2. Don't delay planting gladiolus bulbs or dahlia tubers.

3. Plant that lawn now so it will be established before the hot weather.

4. Don't cut the green tops off bulbous plants such as daffodills, tulips and hyacinths. Allow the leaves to die naturally if you want the bulbs to bloom next year.

5. There is no need for gladiolas to be ruined by thrips. Your nurseryman can suggest an effective control.

### Pelargoniums

Pick a shade, almost any shade, and you'll find a Pelargonium blooming in that color!! ! ! This popular perennial is easy to grow and can be used in all sorts of colorful plantings in your garden and in your home.

The most popular Pelargonium or Geranium is the common Garden Geranium, botanically known as Pelargonium hortorum, which has hundreds of named varieties in brilliant colors with many fancy leaves. These are grown all over the world and in some areas of California practically "grow wild".

Another favorite is the Lady Washington Geranium (Pelargonium domesticum) which also has many varieties. A third favorite in California gardens, the Ivy Geranium (Pelargonium peltatum) has more than 50 named varieties. The Scented Geraniums comprise the fourth species of Geraniums widely used.

The Ivy Geranium, like the Ivy vine, is often used as a fence cover or trained on posts or over walls. In mild climates, it makes a fine ground cover and lawn substitute. Fancy-leaved Geraniums, variegated forms of the Geranium, provide the foliage interest necessary for container subjects. Planted in pots they ca nbe very decorative along stairways or at doors.

In general, Geraniums prefer a sheltered, sunny garden home. If they are given too much shade they will became scraggly but in hot summer areas they should have some shade—under high-branched trees, for instance.

Soil requirements are not many for Geraniums. Be sure there is good drainage if you plant in heavy soils. Geraniums will grow in acid and slightly alkaline soils but if the alkaline condition increases the leaves will become yellow and the growth stunted. A good potting mixture for container grown Geraniums is two parts loam or non-sandy top soil, one part leaf mold or peat and one part sharp sand. Pot firmly,, pressing down the soil.

Water your Geraniums well until they become established. Subsequent watering should provide just enough moisture to keep the soil moist below the surface. Fertilizers should be used in planting if the soil is poor. For established plants apply fertilizer once or twice during the Spring and Summer. Feed potted Geraniums once a month during the blooming season.

### Tree Roses

For accent planting, for formal planting and for fragrance and beauty that can be enjoyed at eye level, choose the Tree Rose. Tree Roses, as defined by the California Association of Nurserymen, are sometimes called Standard Roses and are hybrid tea or floribunda Roses budded on straight, clean stems of another variety to form a bushy head about 3 feet above the growing level.

Therefore, if you prefer, you can obtain your favorite Rose varieties in this form, such as this year's All America winner, Circus. Other popular Tree Roses, in red, are Charlotte Armstrong and Chrysler Imperial, both All America winners, and in yellow, Sutter's Gold and Mrs. P. S. duPont, Helen Traubel, Ma Perkins, Picture and Pinkie are favorites in pink and Peace, which combines shades of yellow, buff, cream and pink, is often chosen.

You can obtain all of these beautiful Rose varieties and many more growing in containers at your nurseryman's. Plant Tree Roses as you do any other type of CONTAINER grown plant by preparing a planting hole larger than the soil around the roots.

Stake your Tree Rose to prevent the stem from breaking in a strong wind. Water and feed regularly so the plants can continue their growth.

### Petunias

The labor is short and the enjoyment long-lasting when you grow Petunias for this prolific annual requires a minimum of care and produces a steady array of brilliantly colored blooms in single, ruffled, double, dwarf and giant forms.

Newest and only Petunia All America winner for 1956 is Fire Dance, a grandiflora Petunia, rich salmon-scarlet in color with a yellow throat, ruffled and fringed petals and flowers measuring over three inches across. And there are more new Petunia varieties and hybrids recently introduced. Of the hybrids, Comanche and Tango produce brilliant single redflowers; Crusade, striped pink and white blooms; Silver Metal, salmon pink and Ballerina, frilled salmon flowers. New varieties in Petunias include Flame, a free flowering orange and scarlet flower with fringed petals, and White Mound, with white fringed flowers borne on a mound shaped plant.

All these new Petunias can be obtained from your local nursery in flats ready to set in your garden. Give your plants plenty of sun in a bed of well prepared soid. Water every few days thoroughly because the Petunia prefers moisture at its roots.. Feed regularly and lightly and pinch to encourage bushy growth. Faded flowers should be removed.

Borders, beds or walk edging are but a few of the ways Petunias can be used. You may also plant the trailing varieties to hang over a wall or from a raised bed or basket or down a steep slope and the California Association of Nurserymen suggests Petunias as fine container subjects in pots or window boxes.

## Juniors Live It Up At Annual Prom Tomorrow Night In The Girls' Gym

"Midnight Enchantment", the theme for the class of '57 junior prom is tomorrow night in the Girls' Gym from 9 to 12.

Under the general direction of Jim Keech, the committees have worked very hard to make this one of the top proms. Joan Battaglia and her committee plan a South Sea decor with one wall a scene looking out over the calm ocean. Maureen Swanson, the chairman of refreshments has planned on serving hor'Douvers, sandwiches and punch.

Karl Bruhn and his band, who play at the Coconut Grove, were chosen to play by Larry Weber and his committee. Carl Belser and committee will change the girls' gym into a moonlit tropical night through the magic of lighting. But when it's all over Jim Corbus and his committee will ocme back Saturday morning and transform the island once more into the gym.

The name forthe theme was submitted by Fred Sprague, and as a prize he will receive a free tuxedo rental from Ida's.

Mr. Brown said, "In organizing the most important junior class activity of the year, the Junior Prom, we have indeed been fortunate to have had such splendid student leadership, co-operation and organization. A great deal of credit is due the junior class officers and the committee chairmen for their efforts in creating 'Midnight Enchantment'."

Jim Keech, the general chairman said, "I believe in giving credit where credit is due and Mr. Ken Brown, in my opinion is deserving of merit for his magnanimous part in organizing our junior prom."

San Joaquin County produced 26,135,000 gallons of wine in 1955.

## Prizes Planned For Carnival Day

Carnival Day will be held May 25 at 1:00 p. m. in the area of Buc's Cove, the boy's gym and the wood shop.

Throughout the day there will be entertainment of all kinds including Pete Parysek and his band, Elaine Grizilo, Willis Dahl, and many others.

There will be a contest between classes for the clashiest crazy clothes. Tentative plans for prizes awarded to the persons with the funniest hats are under way.

All classes are urged to submit some kind of entertainment for the assembly to be held in the future. Contact Jerry Sutton or any council member if you have an act to submit.

## DR. OLDS RETURNS FROM TRIP TO D.C.

Dr. Corwin H. Olds, minister of Campbell Congregational Church, will again occupy the pulpit next Sunday after a week's absence when he attended a conference on Chaplains affairs at the Pentagon in Washington, D. C. Dr. Olds is a Brigadier General (retired) in the Army Chaplains' Branch.

He also attended the annual business meeting of Military Chaplains Association.

While at the nation's capital, he spent a day visiting with his son, Capt. James H. Olds, U. S. M. C., and his family at Quantico, Virginia. He reported having a pleasant visit with Commander and Mrs. Allard G. Russell, U. S. N., and his family, former residents of Campbell, and with Senator Margaret Chase Smith, a long-time family friend.

Dr. Olds reported being treated as a "VIP" everywhere. He made the non-stop trip both ways by air.

## Grange Men Honor Mothers At Meet

Mrs. Malisa Smith was presented with a corsage as the oldest mother, when Orchard City Grange recently held their "Men's Night" honoring mothers.

Others receiving corsages were Mrs. Lester Strickler as the youngest mother; and Mrs. Roy Roberts, youngest grandmother. Charles Scarper, oldest father, was also honored.

Gary Steindorf, Campbell High School student, thanked the group for the $25 U. S. Savings bond awarded him as the top Future Farmer in the Campbell Area.

Humorous skit was presented by the men at the close of the meeting.

Worthy lecturer Cora Kaufmann announced that candidates would be received into the order at the next meeting.

Serving refreshments with Richard Morrill were: Joe Brown, Elmer Hoerler, J. W. McKenzie, Al Bruegmann, Robert Wurfer, Guy Proctor, Earl Dodson and Robert Lear.

## Moorpark Fourth Graders Hold Annual 'Mothers' Formal Tea'

Boys and girls in Mrs. Juanita Miller's fourth grade at Moorpark School were dressed in their formal best last Friday afternoon for their annual "Mothers' Formal Tea", when mothers were honored and entertained with a musical program.

After being greeted by Stephen Egge, Amy Iwanaka, Fonda Watkins and John Sidensol in the receiving line, guests were escorted to their places and served by boys in the class. Larry Williams presented mothers and guests with pink and white carnation corsages. Judith Bowman and Michele Murray poured at the daintily appointed, candle-lit tea table.

Stephen Egge, master of ceremonies, announced the program which included the following vocal numbers by the entire class: "That Wonderful Mother of Mine", "Mother", "Your Mother and Mine" and "May the Good Lord Bless and Keep You". Richard Romano was heard in an accordian solo and Amy Iwanaka in a violin solo. Phyllis Brazil, Aileen Tapogna, Carol Baer and Glenna Wardlow were seen in several dance numbers.

Timothy Kelly was program chairman for the affair. Mrs. Norman Bowman made the corsages presented to the guests.

The affair was the seventh annual formal tea given by the class for their mothers and guests.

## Rosemary School Holds Final Meet

William C. Henley, superintendent of Campbell Union School District, installed new officers of Rosemary Home and School Club at their last meeting of the year, held May 8.

Ed Kolstad was installed as president; Mrs. Marge Foster, vice president; James Stephenson, secretary, and Mrs. Paul Gibilisca, treasurer. Outgoing officers presented the school with a check to buy books for the school library.

Kindergarten class, under the direction of their teacher, Mrs. Joseph D'Attilo, started off the program with a group of vocal numbers. Mrs. Hazel Volle and Wally Johnson next directed the school chorus in a group of vocal selections.

The evening program was concluded with a humorous skit, "School Days at Rosemary Gulch", with Home and School Club executive board in the cast.

The evening was concluded with serving of refreshments.

## Methodists Hold Annual Meeting

Enrollment gain of 319 for the past six months was reported in both church and church school membership at First Methodist Church in Campbell, as announced at the annual meeting and fourth quarterly conference of the church last Sunday night. Dr. Elliot Fisher, district superintendent of the Methodist Church, presided.

A potluck supper, attended by representatives of various church organizations and official members of the church boards, preceded the meeting.

Dr. Fisher, one of the California delegates to the Quadrennial Conference of the Methodist Church in Minneapolis in April, gave his impressions of the meeting of Methodists from all over the world, and pointed out some of the new legislation on antisegregation and ordination of women to preach in Methodist pulpits.

Rev. Herbert Neale was unanimously called to give another year of leadership as pastor of the church.

Following officers for the coming year were elected: Jim Barnett, lay leader; James Barnett, lay member to annual conference; Bill Beyer, reserve lay member to annual conference; Mrs. Effie McCall, financial secretary; Miss Alleen Cowdery and Mrs. Margaret Hunnell, assistant financial secretaries; Mrs. Genevieve Helmbold and Mrs. Margaret Hunnel, church treasurers; George Miller and Guy Farley, auditors; LeRoy Spitze, church school superintendent; Mrs. Verna MacLean, recording steward, and Mrs. Esther French and Mrs. Fern Reynolds, communion stewards.

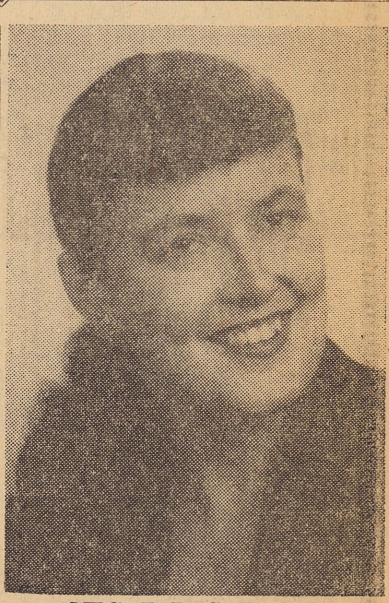
## Local Woman, SJSC Instructor, to Attend Eastern Meet Next Week



MRS. T. B. CUTTING
. . . Attends Eastern Meet

Mrs. T. B. Cutting, assistant professor of occupational therapy at San Jose State College, is off to Boiling Springs (Bucks County), Pennsylvania, for a three day meet next week to discuss training methods. She is one of ten chairmen of the group from all over the United States who will meet with other delegates to evaluate trends in preparation and training of psychiatric occupational therapists in coordination with changing psyciatric concepts.

The group attended a preliminary meet in New York last October and the meeting next week will review work done throughout the country since that time and prepare recommendations for the conference to be held November 1957.

A graduate of Indiana State Teachers College, Mrs. Cutting took her graduate work at Columbia University where she was awarded her certificate of occupational therapy.

Mrs. Cutting, who lives with her family at 810 Steinway in Campbell, was chief of rehabilitation therapies at Agnews State Hospital for four years until her promotion to supervisor of the department, and remained in that position for three years, until her appointment as assistant professor at San Jose State College.

## COUNTY CANCER FUND DRIVE REACHES GOAL

Santa Clara County has gone over the top in record time in the 1956 Cancer Crusade to raise $42,000 for the American Cancer Society, Mrs. Elise Belenky, county campaign chairman, announced this week.

She reported that $46,440 has already been received by the society following the month-long educational and fund-raising drive during the month of April, with additional contributions still coming in.

Although the 1956 county campagn goal of the society was the highest to date, it was over-subscribed earlier than ever before, according to Mrs. Belenky.

She praised the teamwork of hundreds of volunteer workers on county and community campaign committees, including the Campbell-Cambrian-San Tomas committee headed by Herbert M. Shadle.

Others working on the local drive were William W. Johnson, vice-chairman; Mrs. Charles S. Bradley, treasurer; Robert M. Wade, M. D., education; Mrs. Malcolm Blue, public information; Mrs. Anna Peterson, visual materials.

## Local Navy Men Finish Training

The Navy Department has announced the promotion of Norman L. Porter, son of Mrs. Lola Mathis of 379 Dallas Drive, Campbell, to air controlman third class, USN, while serving at the U. S. Naval Air Station, Barber's Point, Oahu, T. H.

—o—

Robert S. Graham, son of Mr. and Mrs. J. C. Graham of 717 Lyle Lane, Campbell, is scheduled to complete recruit training Saturday at the Naval Training Center, San Diego, Calif.

The graduation exercises, marking the end of nine weeks of "boot camp" will include a full dress parade and review before military officials and civilian dignitaries.

## PROCLAMATION

WHEREAS, once each year the Veterans of Foreign Wars of the United States, through the sale of Buddy Poppies, makes its annual appeal to the general public for funds on behalf of the needy and disabled veterans of our community; and

WHEREAS, we have an obligation to the men who gave so much so that we might remain free men; and

WHEREAS, most of the Buddy Poppy funds collected by the Veterans of Foreign Wars will remain here in our own community to assist our friends and neighbors, and the remainder will go to the outstanding National Home for widows and orphans supported by the V. F. W. and to help maintain the outstanding national rehabilitation service for all veterans; now, therefore,

I, John M. Chargin, in my capacity as Mayor of the city of Campbell, do hereby recognize the V. F. W. Buddy Poppy sale as one worthy of the support of each and every citizen, and do here and now proclaim May 25 and 26 as V. F. W. Poppy Days in the City of Campbell, and I call upon all to wear a Buddy Poppy as evidence of our gratitude to the men of this nation who left their native soil to fight the cause of freedom which we continue to enjoy as American citizens.

PASSED AND ADOPTED this 7th day af May, 1956, by the following roll call vote:

AYES: Councilmen: Fairchild, Morton, Rose, Chargin
NOES: Councilmen: None
ABSENT: Councilmen: Arends

APPROVED:
JOHN M. CHARGIN,
Mayor

ATTEST:
DOROTHY TREVETHAN
City Clerk.

## Patrol Explains What to Do When School Bus Stops

Some misunderstanding of the school bus law is indicated by the actions of many motorists when approaching a stopped school bus on the highway says the California Highway Patrol.

"The law requires motorists to stop only when the school bus is stopped and the red lights are flashing," stated Patrol Commissioner B. R. Caldwell. "If the sun is in a poition to make the lights difficult to observe, it is well to slow down until you can discern the status of the lights.

It is not necessary to stop if the school bus is standing and the red lights are not flashing. It is advisable, however, in the latter situation, to approach the bus at a controlled speed and be prepared for a quick stop if some child should unexpectedly run across the highway without warning.

The cooperation of every motorist is needed to provide maximum safety to children who use the buses," Caldwell said. "Motorists who stop on the highway when not required to do so usually cause their cars to become hazards resulting in rear end collisions and other traffic conditions leading to possible accidents.

If the provisions of this law are not clear, complete information can be obtained at any highway patrol office. It is wise to know and obey all traffic rules."

## YOUNG WIVES FORM NEW YWCA GROUP

Young Wives of Cambrian Park and surrounding area will meet Tuesday, May 22 from 10 a.m. to noon in the Cambrian Park Methodist Church for a coffee hour and classes in sewing, enameled copper jewelry making and flower arrangement. Child care will be provided.

Sponsored by the YWCA, this new group offers an opportunity to make new friends and learn new skills. Membership is open to all interested young matrons. The program, according to Mrs. Edward Young of the YWCA staff, will be flexible and centered around the needs of the young women of the community. All participants will have a voice in planning the program. Further information can be obtained by telephoning Mrs. Young at CYpress 2-5727.

## F. PEREZ FIRES IN ARMY RIFLE MEET

Specialist Third Class Fernando Perez, whose wife, Sallye Ann, lives at 462 E. Casey Road, Campbell, recently fired in the Third Army rifle and pistol matches at The Infantry Center, Fort Benning, Ga.

Specialist Perez fired for the Fort Campbell, Ky. team in the 19-team meet. The matches top scorers will become members of the Third Army team.

A construction specialist in Company A of the 168th Engineer Battalion at Fort Campbell, Perez entered the Army in August 1954 and completed basic training at Fort Ord, Calif.

He attended Lassen Junior College, Susanville. His father, Agustin Perez, lives at 18-C Robbeser, Westwood.

## MORELAND SLATES DINNER SATURDAY

Among those planning to attend are: Frank Lovoi, school principal and outgoing president; Frank Maggi, newly installed president; also Vincent Carter and Sam Manfre, Moreland School District trustees.

Anyone wishing to attend may call Mrs. Clarence Neale, AXminster 6-7595 for reservations.

## Stage Play Now In S. F. Breaks Long-Run Record

The eyes of the entire theatrical world are focused on northern California and particularly on San Francisco where that mirthful comedy-hit "Anniversary Waltz" is breaking all long-run records for a stage play in the history of San Francisco.

This play has been presented in practically every large city through-out the nation but its longest run, outside of New York where it played for almost two years, has been in San Francisco and the end of the run is not yet in sight.

Much speculation as to the reason for this tremendous success has been voiced by the theatrical industry but they all seem to come to the same conclusion. "Anniversary Waltz" is a human play and deals with an averge American family celebrating their fifteenth wedding anniversary. They have two teen-age children, a boy and a girl, and the inevitable mother and father of the bride who try to charter the lives of the family, creating no end of confusion resulting in situations that keep the audiences in a continual roar of laughter.

Richard Eastham, who made fame in the Ezio Pinza role in "South Pacific" and with Ethel Merman in "Call Me Madam", and Marjorie Lord, head the fine cast of funsters which includes Herbert Heyes, Ruth Perrott, Gordon Gebert, Kenneth Patterson, Mickie McCormic, Sandra Stone, May Will Hill, Gerard T. Masterson, Jack Knoche and Maurice S. Argent.

Performances of "Anniversary Waltz" are being presented each evening except Sunday, with matinees on Saturday and Sunday each week, with a special Holiday Matinee Decoration Day, May 30.

## STEINDORF HOLDS INSTALLATION

Mrs. Don Witzel was installed as president of Steindorf Home and School Club recently, and Mrs. Georgia Ross, outgoing president and the club's first president, was presented with a pin in the form of a gavel by fellow officers.

Mrs. Clarence McKay was installed as vice president; Mrs. William Baber, secretary; Mrs. Peter Nansen, treasurer; Mrs. Harry Ferrero, historian, and Mrs. George Bruton, auditor.

Outgoing Home and School Club officers presented a check to Leslie Norberg, to be used for development of the Little League field now being planned on the school grounds. Parents were asked to give spare time in the evenings and on weekends to help clear the field and to help in the future with construction.

Entertainment program was provided by first and second graders, followed by refreshments.

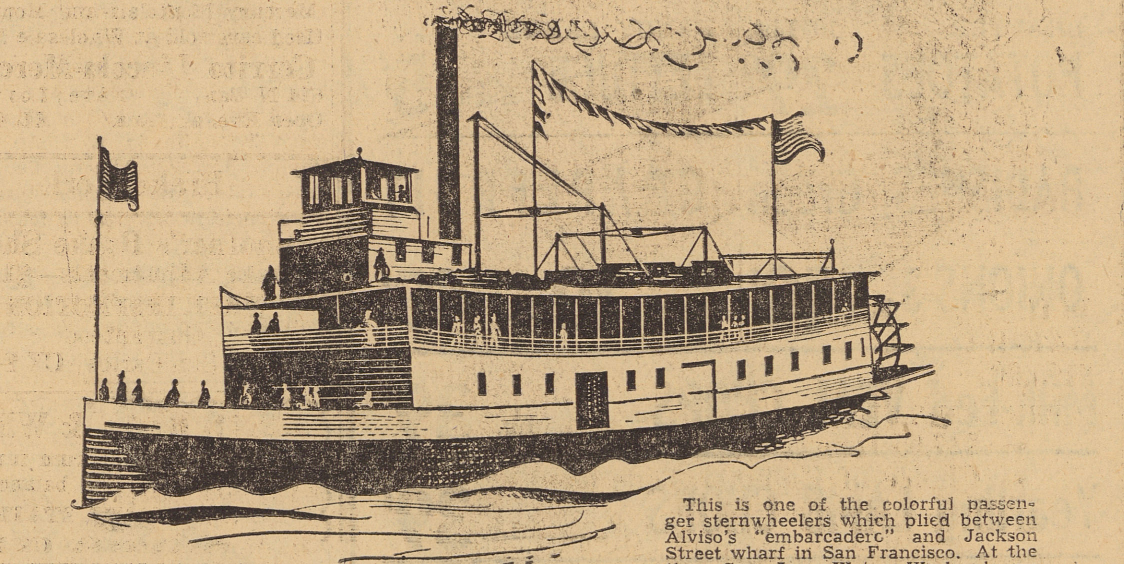
90 YEARS
OF DEPENDABLE WATER SERVICE



This is one of the colorful passenger sternwheelers which plied between Alviso's "embarcadero" and Jackson Street wharf in San Francisco. At the time San Jose Water Works began service to customers in 1866 Alviso was a thriving port with small schooners carrying lumber and grain up to San Francisco to load on ocean vessels.

During the 90 years that San Jose Water Works has provided dependable water service for this community our customers have increased from a handful along First and Santa Clara Streets to more than 66,000 located over a 100 square mile area in the central Santa Clara Valley.

Each year since 1866 we've planned ahead for a growing San Jose and its surrounding area.

We've planned ahead for the 854 miles of pipe which distribute water to your homes, and we've planned ahead for sources of supply to keep water flowing in these mains.

Customers of San Jose Water Works have the priceless protection of two supply sources—our surface supply system in the Santa Cruz Mountains and the flexible system of deep wells on the floor of the Valley. Operated together, these two sources provide the best disaster protection for water supply obtainable.

In 1956 as in 1866 we look to the future. As the population of the San Jose area grows, water will be waiting to serve it.

**ORDINANCE NO. 8**

**AN ORDINANCE AMENDING ORDINANCE NO. 2 OF COUNTY SANITATION DISTRICT NO. 4 OF SANTA CLARA COUNTY, STATE OF CALIFORNIA, AND REPEALING ORDINANCE NO. 7**

The District Board of County Sanitation District No. 4 of Santa Clara County, California, does ordain as follows:

**SECTION 1:**

Section 4.02 of Ordinance No. 2 is hereby amended to read as follows:

SECTION 4.02:

SEWER CONNECTIONS. In the application for a permit to connect a House Sewer to a House Lateral, or a Side Sewer to a Main Sewer, the applicant of the property to be served, or the contractor representing the applicant, shall furnish to the District a map or print of the location of such connection and extent of such work, and shall state the day upon which such work shall be commenced. There shall be no deviation from the location and plan approved, except by prior written permission therefor signed by the District Manager.

The Side Sewer of each building shall be separate and independent of that of any other building, and every building shall have an independent connection with a Main Sewer having an internal diameter of not less than six (6) inches, except where one building stands in the rear of another building, on an interior lot, with the ownership of both buildings vested in the same person or persons, real or artificial, and one House Sewer is available or can be constructed to the rear building through adjoining court, yard, or driveway, the House Sewer from the front building may be extended to the rear building.

**SECTION 2:**

Ordinance No. 7 of County Sanitation District No. 4 of Santa Clara County, State of California, passed and adopted the 11th day of April, 1956, is hereby repealed.

**SECTION 3:**

This Ordinance shall be in full force and effect upon the expiration of thirty (30) days after its passage, and before the expiration of fifteen (15) days after its passage, it shall be published once with the names of the members voting for and against said Ordinance in the Campbell Press, a newspaper published in the Sanitation District, and which newspaper this Board deems most likely to give notice to the inhabitants of said Sanitation District.

PASSED AND ADOPTED by the Board of Directors of County Sanitation District No. 4 of Santa Clara County, California, this 10th day of May, 1956, by the following vote.

AYES: Directors, Gray, Merrill, McKinnon, Rebeiro
NOES: Directors, None

TO ALBERT W. PEARCE AND AUDREY MYRA PEARCE:
Defendants:

You are hereby notified that a complaint in condemnation has heretofore been filed in the office of the clerk of the above named court in an action to condemn the fee simple title in and to the land hereinafter described in Exhibit "A" hereto attached, together with all improvements located thereon and all appurtenances thereunto belonging, and subject to easements for rights of way for existing public utilities owned by the Pacific Gas and Electric Company, for public use for the expansion of aviation facilities at the U. S. Naval Air Station, Moffett Field, Sunnyvale, California.

The authority for the taking is the Act of Congress approved August 1, 1888 (25 Stat. 357; 40 U. S. C. 257), the Act of January 6, 1951 (Public Law 910, 81st Congress), the Act of January 6, 1951 (Public Law 911, 81st Congress) and the Declaration of Taking Act (46 Stat. 1421; 40 U. S. C. 258a).

You are further notified that if you have any objection or defense to the taking of your property you are required to serve upon plaintiff's attorney at the address herein designated within twenty days after May 24, 1956 an answer identifying the property in which you claim to have an interest, stating the nature and extent of the interest claimed and stating all your objections and defenses to the taking of your property. A failure so to serve an answer shall constitute a consent to the taking and to the authority of the court to proceed to hear the action and to fix the just compensation and shall constitute a waiver of all defenses and objections not so presented.

You are further notified that if you have no objection or defense to the taking you may serve upon plaintiff's attorney a notice of appearance designating the property in which you claim to be interested, and thereafter you shall receive notice of all proceedings affecting the said property.

You are further notified that at the trial of the issue of just compensation, whether or not you have answered or served a notice of appearance, you may present evidence as to the amount of the compensation to be paid for the property in which you have any interest and you may share in the distribution of the award of compensation.

You are further notified that trial by jury of the issue of just compensation is demanded by plaintiff.

## San Mateo Hosts A Capella Choirs

The Campbell High a capella choir will leave at 8:30 a. m. on May 19 for the state-wide choir festival at a San Mateo high school.

The choir is scheduled to sing three rehearsed numbers for judging at 10:30 and immediately afterward the 77 members will be tested for sight reading. The rehearsed numbers the choir will do are Miserere Mei by Lotti, Salvation Is Created by Tschesnokoff, and Sing And Rejoice by James.

Mr. Triena said that he is "sure that this year's choir can compare very favorably with any one." He also said, "The poor juniors will probably just stay up all night." The festival is the day after the junior prom.

### LEGAL NOTICE

**ORDINANCE NO. 96**

**AN ORDINANCE OF THE CITY OF CAMPBELL, COUNTY OF SANTA CLARA, STATE OF CALIFORNIA, ADOPTING AN OFFICIAL PLAN LINES MAP OF HAMILTON AVENUE, PROHIBITING THE PLACING OF BUILDINGS OR STRUCTURES WITHIN SAID PLAN LINES, PROVIDING FOR VARIANCES AND ADJUSTMENTS TO BE ISSUED BY THE CITY COUNCIL WITH RESPECT TO SUCH PLAN LINES, AND REQUIRING THE RECORDING OF SAID PLAN LINES MAP.**

The City Council of the City of Campbell does ordain as follows:

SECTION 1. The City Council of the City of Campbell did on the 22nd day of November, 1954 by Resolution No. 69 of said Council adopt a Master Plan of Streets and Highways for the City of Campbell.

SECTION 2. To accomplish fully the purposes of said Master Plan there is hereby adopted an Official Plan Lines Map of Hamilton Avenue, a copy of which is attached hereto and made a part hereof, and designated Exhibit A.

SECTION 3. No building, structure or other improvement shall hereafter be erected or placed within the official plan lines of Hamilton Avenue, except that this provision shall not apply to garden and agricultural crop planting and such ordinary farm and front yard fences and such more or less nonpermanent irrigation structures, as in the opinion of the City Planning Commission, will not defeat the purposes of this ordinance.

SECTION 4. The City Council of the City of Campbell upon the recommendation of the City Planning Commission of said City, shall have power to grant adjustments or variances in the strict application of the provisions of Section 3 of this ordinance in cases in which the strict application of such provisions would result in a serious impairment of substantial property rights.

Application for any adjustment or variance permissable under the provisions of this section shall be made to the City Planning Commission and shall include an application for a permit to erect or place the building, structure or other improvements. A filing fee of $15.00 shall accompany each application.

Upon the receipt of any such application the City Planning Commission shall hold one public hearing thereon, notice of which shall be given by one publication in a newspaper of general circulation in said City within ten days next preceding the date of said hearing. At said hearing the applicant shall present a statement and adequate evidence, in such form as the City Planning Commission may require, showing:

1. That there are special circumstances or conditions attached to the property upon which the proposed building, structure or other improvement is sought to be erected or placed.
2. That the granting of the application is necessary for the preservation and enjoyment of substantial property rights.

The City Planning Commission shall make its decision upon said application and shall report such decision to the City Council within thirty (30) days after the receipt of the application by the Secretary of the said City Planning Commission. In recommending the granting of any adjustment or variance under the provisions of this Section the City Planning Commission shall designate such conditions in connection therewith as will, in its opinion, result in the adjustment or variance causing the minimum possible interference with the purposes of this ordinance and with the ultimate accomplishment of the objectives of the Master Street and Highway Plan of the City of of Campbell. In reporting its decision to the City Council of the City of Campbell the City Planning Commission shall report its findings with respect thereto and all facts in connection therewith and shall specifically and fully set forth any adjustment or variance which is recommended and the conditions designated in connection therewith.

Upon receipt of such report the City Council shall by resolution make its decision upon the aforesaid application. If such decision shall approve the granting of an adjustment or variance, the permit applied for shall be issued, subject to the conditions designated by the City Planning Commission. In all cases in which adjustments or variances are granted under the provisions of this Section the City Council shall require such evidence and guarantees as it may deem necessary that the conditions designated in connection with such adjustment or variance are being and will be complied with.

SECTION 5. The City Clerk of the said City of Campbell is hereby instructed to cause to be recorded in the Office of the County Recorder of said County a full, true and correct copy, duly attested of the Official Plan Lines Map of Hamilton Avenue which is attached hereto and designated Exhibit A.

Passed and adopted this 7th day of May, 1956, by the City Council of the City of Campbell, California, by the following roll call vote:

AYES: Councilmen: Fairchild, Morton, Rose, Chargin
NOES: Councilmen: None
ABSENT: Councilmen: Arends

APPROVED:

# QUITO QUORNER

Ray and Mary Spiker together with Edwina and Stuart, took one of their long week-ends for Mother's Day. They left Friday for Chico where Ray will visit with members of his family. Then through Willows, Redding and Biggs to Oroville where they will spend Sunday with Mary's mother, and back to Quito in time for school Monday.

The May PTA meeting was a potluck dinner. Claire Leone was chairman of the committee which arranged it, and Earlene Westmoreland and Florence Greensides were her assistants. The serving tables were ready at six, and the last arrivals were served about seven. The usual delicions assortments of salads, hot dishes and desserts were enjoyed by a large group of parents and children.

The Westhope Youth Fellowship, Stanley Rumford president, had planned a trip to the beach last Saturday, but the weather was so inclement, that it was postponed until a later date.

The Lutheran Church, which is meeting in the Foothill Club at present, is moving steadily toward Charter Day on Pentecost Sunday, May 20.

The Young People's group, the Luther League, will meet this Sunday at the home of Mr. and Mrs. David Avery to elect officers.

The Women's group has already elected officers; president, Mrs. Bert Queen; vice-president, Mrs. Chester Creider, Jr.; secretary, Mrs. Jerome Close; treasurer, Mrs. Emory Norstadt. They are meeting tonight. Among other things, they will decide upon a name for themselves.

The men's group met last Friday. Cyril Harding is president; Archie McGehee, vice president; Jerome Close, secretary; and Fred Heck, treasurer. The discussion at the meeting revolved around the type of service they wished to offer the church, and how they might best interest members of the community in their organization.

## Golfers Down Sunnyvale

# MORELAND MUSINGS

The steering committee, Mrs. Frank Mortara, Marian Pankowski and Russell Rinaro, for the picnic of the Citizen's Advisory Committee is meeting this week to name the recreation and fire committees for Saturday, May 26.

Each family is to bring their own meat to cook and a potluck dish for the table. The Redwood section of Saratoga Springs has been reserved.

Campfire troop I-Y-Wa under the leadership of Mary Smith, and troop O-Ki-Ka-Ma under the leadership of Beverly Coe fulfilled their service projects when they planted two Chinese elms on the Moreland School grounds recently.

Troop E-Was-A-Elu-Ta made dolls for their mothers for Mother's Day. Mrs. Don Street, who makes them professionally, helped the troop dress tiny dolls in gay nineties costumes. Then, with the help of troop leader Mrs. Frank Mortara, they wrapped them for gifts.

Boy Scout troop 70 has 20 of its boys planning to go to High Sierra Camp in July.

For the Scoutarama this week the troop will have an outdoor camping display. Scoutmaster G. T. Wolfram will be aided by Ted Baughman, A. B. Holms and Floyd Dearborn.

All three of the trooop's patrols took prizes at the Campbell district camporee at de la Vega Park. John Carson's patrol took a first, and so did Bobby Baughman's. Conny, the younger Baughman boy, took second prize with his patrol. There were 268 campers at this camporee. It was the largest and most successful one held yet.

Elaine Robertson, sixth district president, still lives in the same house, but her private driveway has been changed to Paseo Olivos, and her house number is 18048. The District PTA headquarters is there, and she has a booklet on back-yard recreation that everybody who reads finds useful. She also has a complete stock of PTA booklets, some of them for sale and some of them for free. Bring her your PTA problems and she will help you solve them.

After picking, cloves are spread on mats to dry for six or eight days.

# SAN TOMAS SUMMARY

At the May meeting of the 4H Club it was decided to hold a dance. Marcia Slauter is chairman with Leo De Palma, Terry Gamble and Karen Furchner making up the committee.

Club members were reminded that they would be expected to sign up for Summer Camp at the next meeting of the Club.

Members of the Smith Ave. Sewing Club will be glad to hear that Mrs. Grace Chapman is progressing nicely after surgery. She is still at the Doctor's Hospital, but is expected home this week.

Mrs. Chapman was hostess at the last meeting of the Sewing Club, a baby shower for Mrs. Marie Sisemore.

Among the guests were Mmes. J. E. Schneider, Vera Epperson, Velda Lisenby, Diane Lawson, Donald Givens, Milton Parker, and her mother, Bessie Perazza, Fred Smith, Norma Hoover, Lois Williamson, Geneva Chapman, Agnes Yates, Merrill, L. C. Ratledge, Ernest Jackson, Marie Lawson, Maxine Tipton, Lois Chapman, Marion Nelson and Opal Blohm.

Seven-year-old Craig Janes was exposed to the mumps at school. He came down with them Saturday morning, and the other residents of Regina Way expect their children will have them shortly.

President M. B. Parker of the San Tomas Improvement Club reports that the Supervisors have not yet answered their letter about the bridge on Lovell, which was written over a month ago.

Residents who have been inconvenienced by the absence of the bridge, which was taken out during the winter storms, are invited to come to the special political meeting of the Improvement Club which will be held the end of this month.

Candidates for county offices will be there to ask for support. It is possible that they will listen to protests from local residents about the bridge.

New officers were elected at the May meeting, president, Clarence McVey; vice-president, H. S. Spencer; corresponding secretary, Mrs. Howard Greer; recording secretary and treasurer, Mrs. Opal Blohm.

The San Tomas Baptist Church annually celebrates Christian Home week in the week preceding Mother's Day. As a feature of the evening service on Mother's Day, the Rev. J. R. Warren will dramatize the marriage service with three married couples, one from the Young People's department, one from the Young Adult's department, and one from the adult department.

Girl Scout troop 280 is holding a mother-daughter dinner Wednesday, May 23, preparatory to the Fly-up June 8. Plans will be laid for next year's girl scout work at the dinner.

Leader Marie Balgooyen and coleaders Rita Pessley and June Tablak are planning the dinner, which will be a pot-luck at the San Tomas School cafetorium.

Mr. H. C. Epperson had his appendix removed last Thursday at O'Connor's Hospital. He came home from the hospital the first of the week, and is convalescing nicely.

## Santa Cruz To Be Scene Of Art Honorary Picnic

The 6th Annual Art Honorary Trip will be held May 26 from 1:30 p. m. to 5:30 p. m. at Santa Cruz.

The cartoon club and Art Commission are invited to attend.

Advisors will be Mr. Berg, Miss Bull, Miss Thomsen and Mrs. Winston.

All who are planning to attend should contact Mrs. Winston or any Art Honorary student.

### Election June 5

## County School Superintendent Lists Duties of New Board to be Elected

Election for the new seven man lay county board of education will take place on June 5 at the same time as the primary election. According to the office of the County Superintendent of Schools, important changes in the personnel of this body have accomplished equally important changes in the duties of this important board, which will take office July 1 of this year.

One of the major duties concerns the School Service Fund of the office of the County Superintendent of Schools. The County Board must approve action proposed by the County Superintendent in the employment of credentialed personnel to provide and supervise special services in the preparation of elementary courses of study; and in the supervision of instruction in elementary schools of less than 901 pupils in average daily attendance (ADA).

**Health Services**

It will also be necessary for this seven man group to pass on the supervision of health services in elementary schools of less than 901 ADA and in high schools of less than 301 ADA; to employ personnel to provide guidance services, if such services are not already provided by the local district; to employ personnel to supervise attendance; and to establish and maintain a county school library service for elementary districts. They will also establish and conduct audio-visual services. This lay group will review and make recommendations with respect to the annual budget of the county superintendent of schools.

Other important duties will also face this newly constituted Board in matters of great import to the school districts of the county. It will act to settle inter district agreement problems; approve instructional material and approve distribution of certain non-instructional materials, such as T. B. seals, March of Dimes literature, etc. This Board will have power to approve establishment and maintenance of a kindergarten in a school district.

**Enforces Study Course**

This lay board shall prescribe and enforce a course of study in the public schools as set forth in the State School Code; it also may enforce the use of a uniform series of textbooks.

Certificated personnel will be affected in that the new board will control certification of credentials of employees of the schools and the renewal of their credentials. It will also be required to enforce the requirement concerning tuberculosis X-ray.

The interest of students in the new board lies in the fact that this Board will decide upon the expulsion of a student from school and upon appeal will render the final decision.

This lay group will adopt rules and regulations for the purchase of supplies and equipment by elementary school district.

Forty one candidates have declared themselves, with seven to be elected. Six will be from individual trustee districts and one will be elected from the county at large. All voters will vote on each of the candidates, however, regardless of the district a particular candidate may represent.

Campbell High and Los Gatos High districts are in Trustee Area No. 4. There are seven candidates in the race for this area's representative with only Edward E. Arnott, 240A San Jose-Los Gatos Road, Campbell of the group, listing a Campbell mailing address.

Others filing in the district are Edwin C. Van de Mark, Clyde B. Chace, Anita G. Hawkes, Robert B. Murphy, Edwin D. Schuler, and S. Brooks Walton.

## 'Poppy Day' Set For May 25 Here

Poppies will be on sale in the streets of Campbell May 25 by members of American Legion Auxiliary Unit No. 596, who have set aside that day for their annual "Poppy Day". Mrs. Arthur Smith was named chairman in charge of preparations, at the May 9 meeting.

Mrs. Edwin Lee was elected president for 1956-57, also the following other officers: Mrs. Rex Kaber, first vice president; Mrs. Bernard Barrett, second vice president; Mrs. Guy Smith, secretary; Mrs. Harold Olson, treasurer; Mrs. Harold Adams, chaplain; Mrs. Chester Clever, historian; Mrs. Bathilda Wetherby, musician; Mrs. Jonnie McFall, sergeant-at-arms, and Mrs. Larry Testa, marshal.

Plans for the state convention at Fresno June 26 to July 1 were discussed at the meeting with Mrs. Edwin Lee and Mrs. Rex Kaber named as delegates. Alternate delegates named were Mrs. Harold Strickland and Mrs. Guy Smith.

## Cambrian School Holds Open House

Cambrian Public Schools Week open house and dinner recently held in the school cafetorium was considered a great success when sufficient funds were netted to help complete the turf on the Cambrian School campus. Cambrian Faculty Club is sponsoring the turf project and members have donated funds and time in laying the sprinkler system in preparation for seeding the turf.

Mrs. Maude Herndon was handed the gavel as Home and School Club president for the 1956-57 school year. Other officers are: Mrs. Ann Montrezza, vice president; Mrs. Lee Critchlow, secretary; Mrs. Lorraine Gerin, treasurer; Mrs. Marie Schatmeir, auditor, and Mrs. Florence Dekker, historian.

During the business meeting, plans were discussed for sponsoring an evening dance in the Cambrian Cafe in conjunction with Cambrian Men's Club Fiesta, scheduled for Sunday, June 3. The annual Fiesta will benefit youth activities.

## CSF Sees 'Oklahoma'

On Wednesday, the CSF members of Campbell High visited San Francisco.

The 150 students left the school at 9 a. m. and returned at 7 p. m. They first toured Treasure Island and ate lunch there. After lunch they went to see the movie, "Oklahoma".

After having dinner at the Moor Restaurant, they boarded the bus to return home again.
